

NORM X Guidelines for poster & poster pitches

Submission: the poster should be submitted in electronic form in PDF format. The deadline for submission of the poster is April 18th 2022. Posters can be submitted by e-mail or via WeTransfer, to the symposium secretariat (info@normx2022.com). The presenter must be registered for the symposium before submission of the poster.

Poster: the submitted posters will be printed and placed in the designated area in the symposium venue by the symposium secretariat. If the poster is not submitted before the deadline, the symposium secretariat cannot guarantee that the poster will be printed on time. The poster will be printed free of charge and can be taken home after the closing session of the symposium.

Poster pitch: an electronic version of the poster will be shown on a large (television) screen for the poster pitch sessions. During the poster pitch the presenter has 5 minutes to pitch his/her poster.

Copyright: authors are responsible for ensuring that nothing on their poster infringes any existing copyright.

SI units: all measurements and data should be given in metric (SI) units.

Poster layout

Size: the poster must be in portrait oriented A0 size (width: 841 mm, height: 1189 mm).

Fonts: please choose readable font sizes and font types.
